

The Magazine of Georgia Business, Politics
& Economic Development Since 1985

GeorgiaTrend

Buy One. Give One.

As a way to help heighten your brand during these challenging times...

Georgia Trend is offering a special **Buy One Give One** program. Any business or organization that purchases a new full or half page ad — will be able to give an additional same size ad for free to a business or nonprofit of their choice. This special opportunity to help support Georgia businesses is available in our June, July and August issues. This is a terrific way to help well-deserving small businesses or nonprofit organizations during these uncertain times.
