

## Georgia Trend will publish the fifth edition of GEORGIA 500 in November 2026.

This publication delivers readers an informative, engaging look at Georgia's most powerful leaders across major industries and organizations. Selections will be based upon extensive research, nominations and hundreds of interviews, resulting in a selective guide to the Georgians who impact our state.

The Georgia 500 publication will be mailed with our November 2026 issue of Georgia Trend and posted in digital format on our website.

53,500 Georgia Trend print and digital subscribers.

Posted on Georgia Trend sites and social media platforms all year.
